**Our Approach**  
At Lafayette, we take great care to seize both atmosphere and emotion in the images we create. Our professional photographers have years of experience doing just that. Accommodating a diverse array of styles, for a huge range of events. Every customer is different - each picture is unique. So before we do anything, your photographer will discuss everything with you. Your desires, your likes, your dislikes... The result being photography or portraiture that speaks directly to you. And whatever the circumstances, we'll work around you, your venue and your timings - to be as unobtrusive as possible.

**Our Services**  
We offer a full spectrum of photographic styles and services, including:  
• Events  
• Portraits  
• Schools and Pre-Schools  
• Large Groups  
• Graduations  
• Historical images  
• Retouching and restoration
